Being a Christian is not just knowing a bunch of facts that we can recall when asked what it is to be a Christian? It is not a religion of a belief system, it is a **LIFE STYLE** committed to a covenant relationship with **GOD** through Jesus Christ. Look through the scriptures to find historical records of people making, breaking and restoring covenant relationships with our **LOVING GOD**.

Questions to consider as you read each daily scripture reading.

1. What is the difference between knowing about God and knowing God?
2. Think of the use of the word “know” with regard to a man knowing his wife sexually. (context) Adam knew Eve and they had a son. Joseph did not “know” Mary until after she gave birth to Jesus, How does this concept relate to our “knowing” God?
3. Think of someone who has only being married a very short time and then think of someone you know who has been married a very long time. Compare in your mind the difference there is in their “knowing” their spouses today.
4. What can you do that will help you to continue to grow in your “knowing” God through your life?
